

Changing Your User Name and Password

You can access your user name and password in your profile. The **My Profile** link is near the top of your Home page, and also in the **Help** menu.

From your My Profile page, click **Edit**.

To change your user name, in the **Username** field, type the new user name, and click **change**.

To reset your password, click **Reset**. The screen changes to allow you to enter and confirm the new password. Click **Reset** again.

The screenshot shows a form for changing the user name and password. It includes the following fields and buttons:

- Username** field: Contains the text 'Anders'. To its right is a blue link labeled 'change'.
- Password** field: An empty text input box with a red asterisk icon to its right.
- Confirm** field: An empty text input box with a red asterisk icon to its right.
- Reset** button: A black button with white text, highlighted with a black box.
- cancel** button: A grey button with black text.

If you forget your password or receive a notification that your password has expired, click **Forgot your Login?** Enter the correct information and you will receive an email with a link to reset your password. The reset link is only valid for 24 hours and can only be clicked once. If you need to click it again, you will receive a new link.

Forgot your Login? Please tell us your username and/or email address. We will send you an email to reset your password.

 An email with instructions on how to reset your password was sent to the email address stored on our system.

IMPORTANT: The link provided in the password reset email is only valid for 24 hours and can only be accessed one time.
