EVANGELISM

Evangelism... witnessing... fulfilling the Great Commission... What does it all mean? Simply put, Christian evangelism is when we share our faith with others. Living Waters, the ministry of Ray Comfort, has been equipping Christians across the world for more than 30 years. We train **Christians who want to learn evangelism** -- by teaching them how to witness the way Jesus did.

If you're new to this website, we have a special [starting page](#) just for you. It's our goal to help you learn how to share your faith (**evangelism**) effectively, biblically... the way Jesus did. On our site you'll find plenty of free material -- [evangelism resources](#) that you can use today. We have an online [School of Biblical Evangelism](#).

Resources we also offer include online [columns and articles](#) and a [newsletter](#) with encouraging stories from other Christians as they evangelize. You can freely listen to our [mp3 audio lessons on evangelism](#) as well as set your homepage to our [daily devotional](#). We have exciting evangelism resources in our [store](#) (tracts, books, Bibles, videos, tapes), and [FREE evangelism resources](#) in our equipping section. And, through the Way of the Master [television](#) program (featuring both Ray Comfort, and Kirk Cameron), we hope that millions of Christians will learn to witness (that is to evangelize) using the same simple and effective principles of biblical evangelism that Jesus used.
